DOCUMENT SIGNING & VERIFICATION TEST

BlockSign | Swisscom Trust Services | Cardano

Document ID: **BS-QES-DEMO-2026-001**
Document Type: **Electronic Signature Test Agreement**
Purpose: **End-to-End Test**
Date: **October 26, 2026**

1. Purpose

This document is created exclusively to demonstrate and verify the electronic signing workflow provided by BlockSign, integrating Swisscom Trust Services for electronic signatures and Cardano for independent blockchain-based audit evidence.
